

Meeting Minutes – 10/05/04

I. MySHPE & Last Minute Membership Application - To all the members, please activate your MySHPE accounts, and if you have one, upload your resumes. This would be good when you plan on going to a conference because you need to have a professional resume registered with SHPE. To all those members that are going to ETCC and have not activated your MySHPE accounts with a resume, please do that ASAP or else you can't go to ETCC

II. Dues - members must pay dues to the chapter. Its only \$10 of which \$5 goes to SHPE and \$5 stays with the chapter to fund activities. This is needed especially for those going to ETCC.

III. Ratification of By-Laws - The new By-Laws are now currently on the website if you have not read them and desire to do so. On October 5 (Last meeting) they became officially ratified. **Also, for anybody interested in one of the positions listed on the By-Laws, please email SHPE@jhu.edu telling of your interest.**

IV. Banquet - JHU SHPE will be having a banquet towards the end of the semester with professionals in the area. There will be food and dancing. It cost \$5 for members and \$8 for guest but it will be catered food and a live DJ. It will be a lot of fun. More information to come on this event.

V. Appointed Positions - Again I say, **for anybody interested in one of the positions listed on the By-Laws, please email SHPE@jhu.edu telling of your interest.**

VI. Hispanic Scholarship Fund - this is a scholarship given to Hispanic students that are in college. The dues date is November 16, so there still is time to get the application done. They give \$1000-\$2500 to students as a scholarship. Also, they give bonus points when you say your a member of SHPE

VII. Ace Program - We will be tutoring student from Paterson High School once or twice a month. We call it "Engineering Better Futures"

VIII. Resume Workshop - For those who missed the resume workshop, the handout that we went over will be online. Check the archives

IX. Next Meeting - Business Etiquette Workshop will be on October 19th @6:00 PM in Mattin 162. Remember, for those going to ETCC, you must come. Mad at this (blame Grace). Just playing, but it will be needed if you ever plan to go out to fancy, expensive restaurant.
